

## **FY2015 IT Plan Highlights**

### **337 SIC– State Investment Council**

#### **Executive Summary:**

1. The primary goal for the State Investment Council (SIC) Information Services is to provide 99% network access between 7:00 a.m. and 5:00 p.m.
2. Insure technology and financial resources are available to manage the investment and administrations functions.
3. Information Technology (IT) plan provides a framework to guide our IT efforts at the SIC. The plan confirms the critical role of IT as an enabler of success within a heterogeneous system application environment, where investment and financial goals must be supported.
4. The IT department is always improving on making IT services more reliable, adaptable, scalable, and driven by business and technology requirements.

#### **Agency Vision:**

Continue investing New Mexico's two endowment funds from the revenue generated by lands held in trust from the extraction of certain natural resources and are intended to provide permanent and continuing benefits for all New Mexicans, both present and future.

#### **Agency Description:**

1. The State Investment Council is chaired by Governor Susana Martinez. Members include the Governor; State Treasurer; Commissioner of Public Lands; Secretary of the Department of Finance and Administration; and seven public members.
2. The State Investment Office began operations in January 1959.

#### **Major IT Accomplishments of FY13:**
