Re: DOH Health Information Grant Program project certification

Dear Secretary Miller:

Pursuant to Paragraph 12, Subsection C, Section 6, Chapter 290, Laws 2007, the Department of Information Technology Secretary certifies the release of the $500,000 for the Department of Health (DOH) Health Information Grant Program project appropriated by Laws 2007, Chapter 28, Section 7, Subsection 24 to accelerate and facilitate adoption of electronic medical records in rural areas. This is the agency’s first and final certification for this project.

This project is consistent with DOH’s information technology plan, the state’s architectural standards, and the state’s information technology strategic plan.

Sincerely,
