Re: Department of Information Technology (DoIT) Emergency Project Certification

Dear Secretary Padilla-Jackson:

Several pieces of legislation were passed in the 2019 session that require major changes in the Tax and Revenue Department’s GenTax system. TRD is under very aggressive delivery deadlines with many legislative enactment dates of July 1, 2019, January 1, 2020 and July 1, 2020.

Pursuant to Department of Information Technology Act Section 9-27-6(C) 12 NMSA 1978, I hereby approve the following emergency certification request and associated release of funds.
