Re: Department of Information Technology Emergency Project Certification

Dear Secretary Padilla-Jackson:

Senate Bill 280, Section 32(6) provides one million dollars ($1,000,000) for expenditure in fiscal years 2020 through 2023 to the Library Broadband Infrastructure Fund for expenditure by the Department of Information Technology (DOIT) for library broadband expansion and improvement statewide, including assessments and contracts, contingent upon the execution of a memorandum of understanding for use of the funds with the Department of Cultural Affairs (DCA). DCA is requesting a release of $120,382.00 for invoice payments.

Pursuant to Department of Information Technology Act Section 9-27-6(C) 12 NMSA 1978, I hereby approve the following emergency certification request and associated release of funds.
